

# METAVVERSE READY EVENT LAUNCH

EMPOWER YOUR LAUNCH EVENTS  
WITH MIXED REALITY

## HOW DOES IT WORK?

Elevate your business's launch events with mixed reality. Bring audiences closer to your brand with a uniquely immersive experience brought to you by S.W.A.B

Create a compelling virtual world that actively engages your audiences through real-time interactivity, with captivating visuals crafted by S.W.A.B

Help your audiences explore the new world of immersive real-time interaction at your launch event, leaving them with a memorable brand experience

## WHO IS IT FOR?

### EVENT ORGANISERS

Start your events with a bang and end with a memorable impression. Captivate your audiences at first sight with impactful visuals and an immersive event experience.

### ADVERTISERS

Take advertising to the next level with mixed reality. Highlight your product features with high-quality visuals and make an impression on potential customers through real-time interactivity with your products.

### AGENCIES

Let clients experience your services through immersive mixed reality. Showcase your agency's solutions with live interaction opportunities that add value to your existing services.

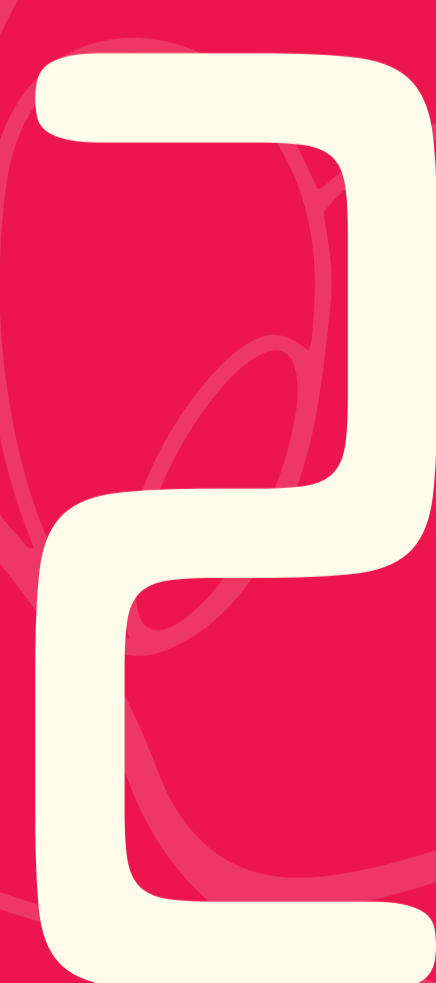

## WHAT DO YOU NEED?

### CONCEPT 💰

Pick your ready made assets from a library on our Mixed Reality Engine: BLACK BOX

### BRANDING 💰

Personalise your launch with your brand colors, typography and logo

### DEPLOYMENT 💰

Fuss-free set up that will be done by our in-house expertise so you will not have to worry about the know-how & logistics
